UGANDA CRICKET ASSOCIATION

29th September 2017

PRESS RELEASE
CRICKET WITHOUT BOUNDARIES AUTUMN PROJECT 2017

Cricket Without Boundaries (CWB) a UK based charity dedicated to helping, educating and developing local communities around the world through the spread and growth of cricket will be arriving in the country on the 30th September 2017 and depart on 15th October 2017. Since 2005, CWB has partnered with Uganda Cricket Association (UCA) in Teacher Coach Training and coaching of students/pupils in several districts around Uganda.

This year UCA will host 2 CWB teams for the Autumn Project. Team that will be led by Lee Booth will visit Kasese, Mbarara and Masindi districts, while the team led by Julia will visit Fort Portal and Masindi and shall conduct coaching/training of Sports Teachers and coaching of pupils/students. The training will cover a total of 71 Schools both primary's and secondary schools in both areas. This is CWB's second visit this year (Autumn project) having successfully run another visit at the start of the year (Spring project) and emphasis will be on improving the skills of the teachers, plus introducing many young boys and girls to the sport, supporting some schools with basic equipment, and relaying HIV/AIDS awareness messages.

Continuing the great work already accomplished in Uganda is hugely important to CWB and Uganda Cricket Association. The CWB goals are simple - being able to pass on to as many pupils/students as they can the opportunity to learn about and enjoy the amazing game of cricket, to introduce the game to so many who would not otherwise get the chance and lastly, to wrap that all up with a reinforcement and enhancement of the ever-more critical awareness of HIV/AIDS.

Please find attached the project itinerary.
